SAHARA MOTORS DUBAI

The 2027 Mitsubishi L200 Double Cab GLS+ is a versatile pickup designed to combine dependable performance, practical capability, and everyday comfort. It is powered by a 2.4L 4-cylinder petrol SOHC 16-valve MPI engine, paired with a 5-speed manual transmission and Mitsubishi's Easy Select 4WD system. With a 2,700 kg gross vehicle weight, 1,685 kg kerb weight, and 3,000 mm wheelbase, the L200 offers a solid foundation for both work and daily driving. Its practical cargo bed measures 1,520 x 1,470 x 475 mm, providing useful space for equipment, goods, and other loads.

Inside, the L200 GLS+ offers a practical cabin with features designed for comfort and convenience. The front sports-type fabric seats provide manual sliding and reclining, while the rear low-back bench accommodates passengers with rear head restraints. Equipment includes automatic air conditioning, power windows, remote keyless entry, Bluetooth connectivity, USB charging, a 4-speaker audio system, steering-wheel audio controls, and a wide multi-information screen. A rear air circulator helps improve airflow for rear passengers, while the 75-litre fuel tank supports longer journeys. The cabin also includes useful storage areas, cup holders, a 12V socket, illuminated glovebox, and multiple convenience features for everyday use.

On the exterior, the 2027 Mitsubishi L200 GLS+ features a distinctive black edition grille, chrome door handles, power-folding and electrically adjustable mirrors, LED side turn signals, daytime running lights, fog lamps, 18-inch alloy wheels with 265/60 R18 tires, black side steps, skid plates, mud guards, and a practical step bumper. Its equipment also includes front towing and tie-down hooks, a rear body guard frame, under-guard protection, and heavy-duty comfort suspension. For added driving confidence, the L200 comes with Active Stability Control, Hill Start Assist, Trailer Stability Assist, ABS with EBD, Brake Assist, emergency stop signals, impact-sensitive unlocking, and two SRS airbags. With its 4WD capability, practical cargo area, durable construction, and well-equipped double-cab interior, the L200 GLS+ is built to handle demanding work while remaining comfortable for everyday journeys.
