The 2026 Toyota RAV4 LE is powered by a 2.0L four-cylinder M20A-FKS petrol engine, producing 170 HP at 6,600 RPM and 203 Nm of torque at 4,400–4,800 RPM. It features a Continuously Variable Transmission (CVT) with All-Wheel Drive for confident handling across varied road conditions. Multi-Terrain Mode Select supports different driving situations, while the 55L fuel tank and 15.9 km/L fuel consumption make it practical for daily commutes. Eco, Normal and Sport modes offer driving flexibility and travel.

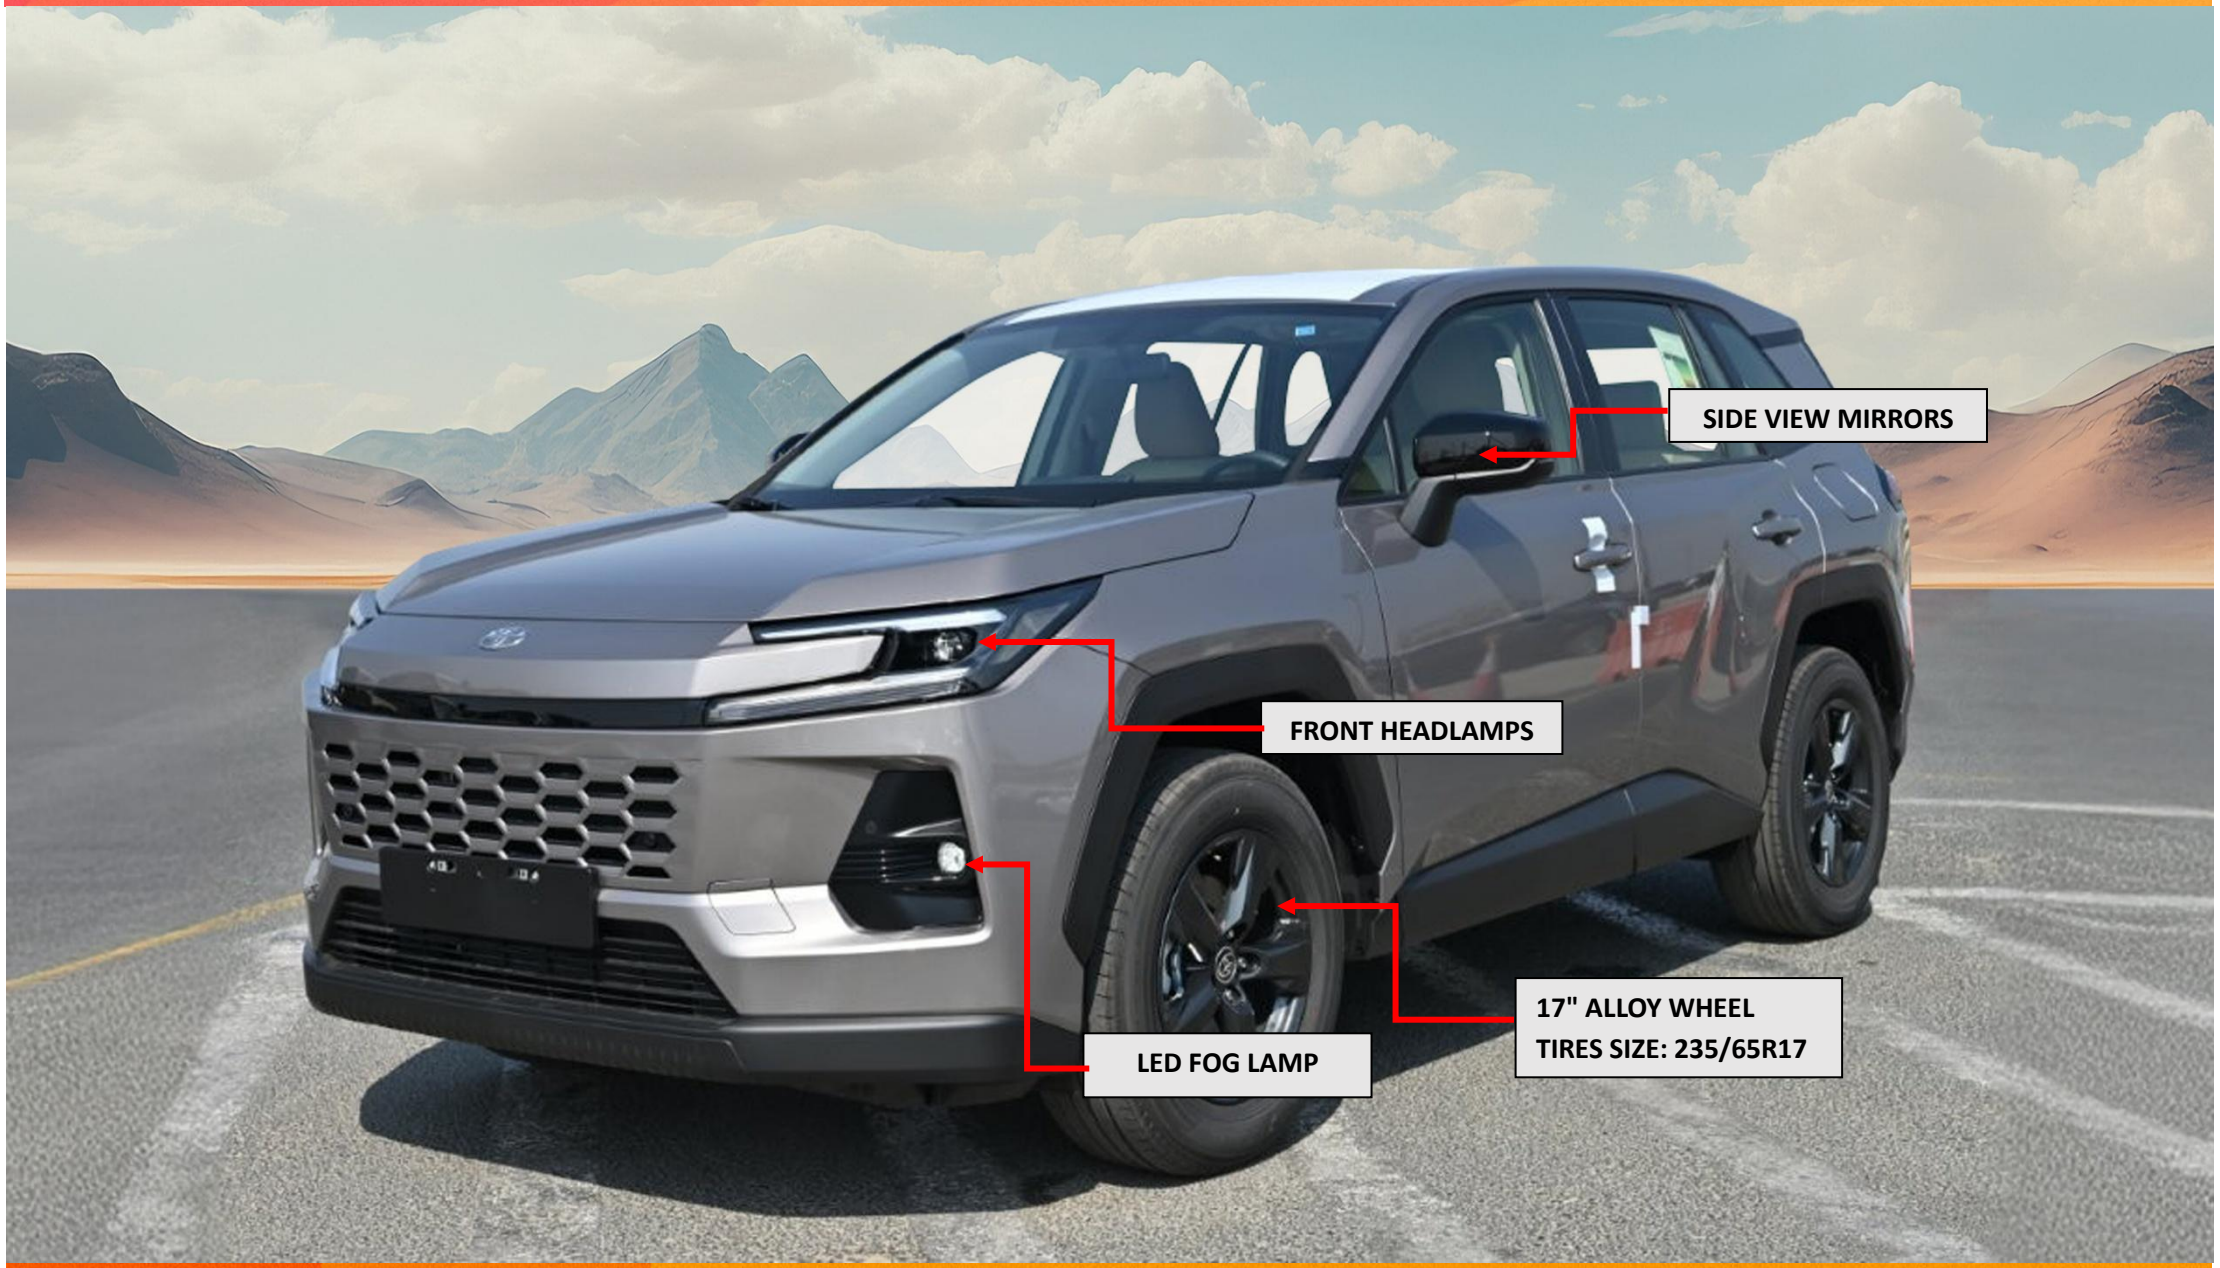

Inside, the five-seat cabin features fabric seats, a driver seat vertical adjuster and a telescopic steering wheel with integrated controls. A 12.3-inch Multi Information Display presents vehicle information, while the 10.5-inch Display Audio system supports wired Apple CarPlay and six speakers. Automatic air conditioning provides independent driver and passenger control, with rear A/C ducts. Other features include an engine push-start button, smart entry, automatic power windows, illuminated vanity mirrors and USB-C charging ports.

The RAV4 LE features 17-inch alloy wheels with 235/65R17 tyres, LED headlamps, LED front fog lamps, daytime running lights and a rear spoiler. Black mirrors include turn signals. Safety equipment includes driver and front passenger airbags, a driver knee airbag, side and curtain airbags, ABS, Vehicle Stability Control and TPMS. It also has a rear camera, four front and four rear parking sensors, Electric Parking Brake, Brake Hold, Hill-start Assist Control and Down Hill Assist Control. Other features include cruise control, an engine immobilizer, passenger door lock, premium horn, portable tire inflator, fire extinguisher, floor mats and safety package.
