SAHARA MOTORS GROUP

The 2025 Mitsubishi L200 Double Cab GL 2.4L Petrol 4WD is a powerful and versatile pickup truck designed to handle both demanding workloads and off-road adventures. Under the hood, it features a 2.4L petrol 4-cylinder engine equipped with an electrical fuel injection system (Common Rail) and a fuel heater, ensuring reliable performance in all climates, including cold zones. The 5-speed manual transmission with Easy Select 4WD provides smooth power delivery, allowing drivers to switch effortlessly between 2WD and 4WD for optimal traction and control. Built with durability in mind, the L200 boasts a heavy-duty comfort suspension with a front stabilizer bar, making it a capable companion for rugged terrain and urban roads alike.

Inside the cabin, the L200 Double Cab GL offers a blend of comfort and practicality. The front sports-type fabric seats provide ergonomic support with manual sliding and reclining adjustments, while the rear low-back bench seats ensure passenger comfort with head restraints for added safety. Technology and convenience features include an AM/FM CD player, USB charging outlet, and Bluetooth® wireless connectivity with a built-in microphone, allowing seamless hands-free communication. The manual air conditioning system is optimized for extra hot climates, ensuring a pleasant driving experience even in extreme temperatures. Additional amenities such as power windows, a remote keyless entry system, a 3.5" multi-information display, and multiple storage compartments enhance convenience for both driver and passengers.

On the exterior, the Black Edition styling package gives the L200 a bold and modern look with black front and rear bumpers, a stylish black radiator grille, and black outer door handles and mirrors. The halogen headlamps with manual leveling, LED rear fog lamps, and front fog lamps provide excellent visibility, while rain-sensing wipers and UV-ray-reducing windshield glass add to the vehicle's practicality. Safety is a priority, with speed-sensing automatic central door locks, dual SRS airbags, ABS with EBD, brake assist, and active stability control ensuring protection on the road. With a cargo bed featuring eight outer hooks and a 75L fuel tank capacity, the L200 is built to transport heavy loads efficiently. Combining robust performance, a well-equipped cabin, and rugged styling, the 2025 Mitsubishi L200 Double Cab GL 2.4L Petrol 4WD is the ultimate pickup for both professional and personal use.
