SAHARA MOTORS GROUP

The 2025 Lexus LX700h Hybrid is a top-tier luxury SUV, blending impressive power with refined elegance. Powered by a 3.5-liter V6 hybrid engine (V35A-FTS), it delivers a combined output of 457 horsepower at 5,200 RPM and an incredible 790 Nm of torque between 2,000 and 3,600 RPM. The sophisticated engine is paired with a 10-speed automatic transmission, ensuring smooth, responsive driving dynamics. With all-wheel drive (AWD) and a robust fuel system, the LX700h offers remarkable capability on various terrains. Its 68-liter fuel tank allows for extended journeys, while Adaptive Variable Suspensions (AVS) with Active Height Control (AHC) enable a controlled, comfortable ride over any surface, complemented by five selectable drive modes: Eco, Comfort, Normal, Sport S, and Sport S+.

Inside the cabin, the LX700h Hybrid seamlessly combines advanced technology with opulent comfort. The 12.3-inch digital display and 10-inch colour head-up display provide easy access to navigation, media, and vehicle information. With a premium 25-speaker Mark Levinson surround sound system, the driving experience is elevated with exceptional audio clarity. The vehicle also boasts modern conveniences such as wireless Apple CarPlay, Android Auto, and a wireless charger for Qi-compatible smartphones. Furthermore, it is equipped with state-of-the-art safety features, including the Pre-Crash System, Lane Departure Alert with Steering Vibration, and Dynamic Radar Cruise Control, ensuring both comfort and peace of mind on every journey.

The Lexus LX700h Hybrid exudes luxury in its design, with an emphasis on both practicality and style. The exterior is highlighted by adaptive 3-beam LED headlamps, chrome side moulding, and 20-inch alloy wheels with black accents, enhancing its bold presence on the road. The cabin offers premium leather seating for five, with features like power-adjustable, heated, and ventilated seats in both the front and rear. A moonroof, ambient lighting, and premium wood trim contribute to the refined atmosphere. Additionally, smart technologies such as remote engine start, fingerprint authentication, and an advanced parking support system enhance both convenience and security. The LX700h Hybrid's dimensions—5100 mm in length, 1990 mm in width, and a 2850 mm wheelbase—ensure an impressive road presence while maintaining interior space and comfort.
