The 2025 Toyota Hilux GLXS-V 2.7L Petrol Double cab pickup is built to handle tough conditions with confidence, while turning heads with its bold styling and rugged durability. Equipped with a powerful 2.7L 4-cylinder engine producing 164 hp and 25 kgm of torque, this part-time 4WD pickup offers the muscle and versatility needed for both professional work and weekend adventures. Its striking design includes LED headlamps with auto levelling, a chrome and metallic black radiator grille, side stripes with HILUX decals, and a steel step chrome rear bumper. Riding on 17" all-terrain tires with alloy wheels, and complete with features like a front skid plate, mudguards, side steps, and a front bumper guard, this Hilux blends toughness with style for any road or terrain.

Inside, the Hilux GLXS-V combines function and comfort, with seating for five in superior fabric upholstery and a thoughtful layout designed for daily use. The cabin features an 8" touchscreen with USB, Bluetooth, and 6 speakers, plus a multi-info TFT display and digital clock for easy access to key information. Comfort is prioritized with auto A/C, rear air ducts, a cool glove box, and cruise control. Additional touches like the smart key with push start, power windows and door locks, tilt and telescopic steering, and a centre armrest with cup holders enhance everyday convenience. Whether you're navigating city streets or rural roads, the Hilux provides a smooth and enjoyable ride for driver and passengers alike.

When it comes to safety and smart features, the 2025 Hilux GLXS-V delivers with confidence. Equipped with ABS, EBD, Brake Assist, Vehicle Stability Control, Hill Start Assist, and Trailer Sway Control, it's ready to handle a variety of driving conditions securely. The vehicle includes three airbags (driver, passenger, and driver knee), rear view digital mirror, rear camera, and a tire pressure monitoring system, always ensuring awareness and protection. Keyless smart entry, a push-start system, LED daytime running lights, and a follow-me-home light system add modern convenience and peace of mind. With a robust deck guard, bedliner, hood lift assist, and IR-cut glass, this Hilux is designed to protect both its occupants and cargo, making it a smart investment for professionals and families alike.
