SAHARA MOTORS GROUP

The 2026 Suzuki Jimny 5-Door GLX 1.5L is the perfect fusion of classic off-road capability and modern practicality, now with added space and functionality. With its bold 5-door design and iconic boxy silhouette, it exudes rugged charm while offering improved accessibility for everyday use. Compact yet commanding, the Jimny measures 3985mm in length and boasts a sturdy wheelbase of 2590mm, making it ideal for navigating tight urban spaces or exploring rough terrains. Equipped with 195/80R15 alloy wheels, electric folding side mirrors, and a black grille with chrome accents, the exterior has a purposeful, adventurous stance. LED projector headlamps, fog lamps, and a high-mount stop lamp enhance visibility and style.

Step inside the Jimny GLX and experience a surprisingly refined and comfortable cabin that balances simplicity with practicality. The 4-seater layout offers ample space, with high seating positions for superior visibility and comfort. The automatic air conditioning ensures cabin comfort in all weather, while fabric upholstery, leather-wrapped 3-spoke steering wheel, and power steering enhance the driving experience. Entertainment and connectivity are handled by a 3-inch audio display with Bluetooth and rearview camera functionality, and controls are conveniently mounted on the steering wheel. Power windows, remote central locking, and a 12V accessory socket add to the comfort and convenience. Despite its compact size, the Jimny is thoughtfully designed to make every journey enjoyable.

The 2026 Jimny GLX is as safe as it is capable, offering a full suite of modern safety features to protect you and your passengers. With six airbags – including driver, passenger, side, and curtain – alongside ABS, ESP, and ISOFIX child seat anchors, it ensures peace of mind on every drive. Hill Hold Control and Hill Descent Control provide confidence on steep gradients, while the rear parking sensors and reverse camera assist with tight manoeuvres. Tyre Pressure Monitoring System (TPMS) helps keep your journey safe and efficient, and the engine immobilizer protects your vehicle from theft. Add features like cruise control, manual dimming rearview mirror, and LED projector headlamps with lamp washers, and the Jimny becomes a reliable partner ready for any adventure.
