# SAHARA MOTORS GROUP

The 2025 Toyota Corolla XLI-V combines bold design, dependable performance, and Toyota's long-standing reputation for reliability. Powered by a 2.0L Dual VVT-i petrol engine, it produces a confident 168 HP, paired with a Direct Shift CVT transmission for smooth, responsive driving. Whether navigating daily commutes or long highway drives, the Corolla offers exceptional ride comfort and fuel efficiency. Its sleek body design is enhanced by chrome-trimmed black grille, projector-type halogen headlights, and 16-inch alloy wheels, giving it a sporty yet elegant stance. Colour-keyed mirrors and door handles, along with a stylish sun/moonroof, add a touch of luxury, while its compact dimensions make it practical for urban life with a tight turning radius of just 5.2 meters.

Step inside the Corolla XLI-V and you're welcomed by a thoughtfully designed 5-seater cabin built for comfort and functionality. Fabric seats, a manual height-adjustable driver's seat, and a rear seatback pocket provide ergonomic support and clever storage. The 8" infotainment display with 6 speakers, Bluetooth, USB/AUX, and AM/FM radio ensures you stay entertained and connected on every journey. The cabin also features rear cooler ducts, USB charger, and smart entry with push-start, making your driving experience more convenient. Add in a multi-information display, cruise control, and illuminated entry system, and you get a well-equipped interior that's perfect for both daily commutes and longer trips. It's a practical yet modern space tailored to today's driver needs.

When it comes to safety, the 2025 Corolla XLI-V doesn't cut corners. Equipped with 7 airbags, including driver, passenger, side, and curtain airbags, it ensures top-level protection for all occupants. Advanced systems like ABS, Electronic Brakeforce Distribution, Brake Assist, and Vehicle Stability Control (VSC) help maintain control in all driving conditions. The Tyre Pressure Monitoring System, Emergency Stop Signal, and rear parking sensors provide added assurance, especially in busy urban environments. The car also features an engine immobilizer anti-theft system, rear fog lamp, and adjustable seat belt anchors for enhanced peace of mind. Add smart features like power windows, power door locks, and a rear window defogger, and the Corolla XLI-V becomes a complete package offering safety, convenience, and confidence on every drive.
