SAHARA MOTORS GROUP

The 2025 Toyota Hilux DLX-G Double Cab 2.4L Diesel 4WD Automatic is built for rugged reliability, functional versatility, and everyday practicality. It delivers dependable performance across urban roads and off-road terrain. Mated to an automatic transmission and supported by a sturdy double-wishbone front suspension and rigid leaf spring rear axle, the Hilux DLX-G ensures a balanced drive with impressive load-carrying capability. The 80-liter fuel tank provides long-range efficiency, while the rear differential lock and safety features like ABS, VSC, HAC, and TSC boost control and traction in challenging conditions.

This 5-seater pickup is equipped with fabric high-back separate front seats, a manual air conditioner, overhead console, front personal lamp, and front cool box for added comfort and convenience. Inside, you'll find a functional dashboard featuring a basic AM/FM/DVD audio system, two speakers, and steering wheel controls for audio, telephone, and voice commands. The 4-spoke synthetic urethane steering wheel is manually tilt-adjustable and paired with power steering for ease of handling.

Externally, the Hilux DLX-G offers a bold, utilitarian look with a chrome radiator grille, chrome electric side mirrors with turn signals, chrome door handles, and a body-colored front bumper. The halogen headlamps and LED room lamp offer basic illumination, while steel wheels with 225/70R17 tires provide durability and stability. Additional features like power windows, wireless door locking, deck guard frame, and rear steel step bumper further enhance its usability for both work and personal use.

Overall, the 2025 Hilux DLX-G is a reliable and capable 4WD pickup that brings together Toyota's renowned toughness with essential features, making it an ideal companion for fleet, utility, and multi-purpose use.
