SAHARA MOTORS GROUP

The 2025 Toyota Hilux GLXS-V Double Cab 4WD is built for those who demand power, efficiency, and rugged style. Its 2.4L D-4D turbo diesel engine delivers 147 HP and 400 Nm of torque, perfectly paired with a 6-speed automatic transmission and a tough 4x4 drivetrain. With an impressive fuel economy of 14.1 km/l, it balances strength and efficiency for both work and leisure. The Hilux features bold 17-inch alloy wheels, LED headlamps and fog lamps, a front steel bumper, and sleek power side mirrors with integrated turn signals. A bed liner, mudguards, and rear leaf spring suspension complete its high-utility build. With sharp design lines and functional features, this Hilux is not just tough, it looks the part too.

Step into the cabin of the 2025 Hilux GLXS-V and enjoy a driver-focused interior that blends durability with refinement. The ventilated fabric front seats offer comfort even on the hottest days, while the automatic climate control keeps all five passengers at ease. An 8-inch touchscreen with Apple CarPlay, USB-A port, and DAB radio offers seamless entertainment, supported by 4 speakers. The steering wheel-mounted controls, 4.2-inch multi-information display, one-touch power windows, and overhead console all speak to a well-thought-out cockpit. With wood panel accents and convenient front cup holders, the cabin has both class and utility. Whether you're commuting or heading off-road, this pickup keeps you connected, comfortable, and in command of every drive.

Toyota prioritizes your peace of mind with a comprehensive suite of safety and driver-assist technologies. The Hilux GLXS-V includes airbags for the driver and front passenger, including a driver's knee airbag, plus key safety systems like ABS, EBD, and Vehicle Stability Control. Hill-Start Assist, a rear differential lock, and Drive Mode Select (ECO/PWR) ensure control across all terrains. Parking is made effortless with a rear camera, front and rear sensors, and a Blind Spot Monitor. The Tyre Pressure Warning System alerts you in real time, while cruise control makes highway driving more relaxing. With both brains and brawn, this Hilux makes no compromises, delivering reliability, safety, and advanced features in one smart, capable package.
