**LEATHER SEATS**

The image shows the rear passenger compartment of a vehicle. The seats are upholstered in black leather with a decorative geometric pattern and white stitching. A tan-colored center arm rest is visible between the seats. Below the seat level, there are rear air conditioning vents. The vehicle's interior trim is a light tan color. A window in the background shows a desert landscape with mountains under a blue sky with clouds.

**CENTER ARM  
REST**

**REAR AC VENT**

The image shows the front interior of a vehicle, likely a Nissan SUV, with a view of a desert landscape through the windshield. The dashboard is dark grey with a central 8-inch multimedia display. The steering wheel is black with a silver Nissan logo and has several control buttons. The seats are dark grey with red stitching. Three callout boxes are overlaid on the image: 'OPTITRON METER' pointing to the instrument cluster, '8" MULTIMEDIA DISPLAY' pointing to the central screen, and 'POWER STEERING WITH CONTROLLING SWITCHES' pointing to the steering wheel.
