SAHARA MOTORS GROUP

The 2025 RAV4 XLE features a bold and stylish exterior, enhanced by 18-inch alloy wheels fitted with 225/60R18 tires for superior road grip and stability. LED headlamps and front fog lamps provide enhanced visibility, while the smart entry system for the driver and front passenger adds convenience. The SUV is equipped with front and rear parking sensors, ensuring ease of manoeuvrability in tight spaces. The coloured, power-operated, and retractable side mirrors with turn signal lights (TSL) enhance both style and safety. Additional premium features such as a moon roof, roof liner, and rear spoiler not only improve aerodynamics but also elevate the aesthetic appeal of the vehicle.

Step inside the RAV4 XLE, and you're greeted with an elegant and thoughtfully designed cabin. The engine push-start button allows for a seamless start-up experience, while the fabric seats with a special pattern provide both comfort and durability. The driver's seat vertical adjuster ensures a customized seating position for enhanced ergonomics. The steering wheel comes with mounted controls and a telescopic adjustment feature, providing better handling and accessibility. The 4.2-inch multi-information display offers essential driving data, while the automatic dual-zone air conditioning system with independent driver and passenger control ensures a pleasant cabin atmosphere. Rear passengers are well taken care of with dedicated rear A/C ducts for added comfort. Automatic power windows for all doors, sun visors with illuminated vanity mirrors, and an auto-dimming rearview mirror further contribute to the vehicle's premium feel.

The 2025 RAV4 XLE comes equipped with a modern 8-inch display audio touchscreen, featuring Apple CarPlay compatibility, ensuring seamless smartphone integration for entertainment, navigation, and communication. The six-speaker audio system delivers crystal-clear sound, while multiple USB ports, including one USB-A in the front and two rear USB-C charging ports, provide convenience for passengers to stay connected on the go.
