SAHARA MOTORS GROUP

The 2025 Toyota Hilux Double Cab Pickup GLX 2.7L Petrol 4WD Automatic (Model Code: TGN126L - DTTHKV) combines power, performance, and practicality, making it an ideal choice for those who need a robust and reliable vehicle for both everyday use and off-road adventures. Under the hood, it boasts a 2.7L, 4-cylinder, 16-valve, DOHC engine with dual VVT-i technology, delivering 164 horsepower at 5,200 rpm and a torque of 24.9 kg-m at 4,000 rpm. This power is paired with a smooth 6-speed automatic transmission and a 4x4 drive system, allowing the Hilux to effortlessly handle various terrains. Whether you're driving through city streets or navigating off-road trails, the double-wishbone front suspension and leaf spring rigid axle rear suspension ensure a stable and comfortable ride. The 265/65R17 tires provide additional grip, and the 80L fuel tank capacity ensures you have plenty of range for long journeys.

Inside, the 2025 Toyota Hilux offers a spacious and comfortable cabin designed for both functionality and convenience. With seating for up to five passengers, the high-grade fabric seats provide comfort, while the separate front seats accommodate two people. The dual-zone automatic air conditioning system ensures a pleasant atmosphere throughout the cabin, and the 8" display audio system supports both Apple CarPlay and Android Auto, keeping you connected on the go. Additional features like cruise control, keyless entry, and power windows enhance the driving experience, while the steering column with manual tilt offers easy adjustment for a customized driving position. Safety is a key consideration, with advanced features such as Electronic Brake Force Distribution (EBD), Vehicle Stability Control, and Anti-lock Brake System (ABS) with Brake Assist (BA), ensuring a safe and stable driving experience.

The exterior design of the 2025 Toyota Hilux is both rugged and modern, with features that not only enhance its functionality but also its aesthetic appeal. The chrome-colored door handles and retractable power mirrors give the vehicle a premium look, while the steel front and rear bumpers, along with the 17" alloy wheels, ensure durability. The LED headlamps provide excellent visibility in low-light conditions, and mudguards at the front and rear help protect the vehicle from debris and dirt. A rear view camera, trailer sway control, and tire inflation pressure warning add to the Hilux's practical design, making it easier to maneuver and ensuring peace of mind when towing. Whether you're loading up the bedliner for work or navigating tricky off-road conditions, the Toyota Hilux 2.7L Petrol 4WD Automatic is ready to deliver exceptional performance and reliability in any environment.
